RCM REPORT (Gerald)

- I attended the Regional Service Conference on September 19 and 20, 2026
- First off there has been a lot of discussion about both MACNA and a possible LSRCNA. I'll discuss MACNA first and LSRCNA a little later. I did report that MACNA is willing to change the date for the Convention if LSRCNA gets reestablished. The MACNA Chair gave a report during open forum. There were questions about its makeup, who it reported to and what Areas voted their support. The RSC Facilitator did not allow the MACNA Chair to respond to all comments. Since Trinity Area was the Only Area to vote its support there were questions as to whether it was even a multiarea event. Due to the perceived idea that MACNA did not have adequate accountability, the Fort Worth Area RCM told the MACNA Chair that MACNA was not to contact any of the Fort Worth Area Groups. Subsequent to that in the Lone Star Google Groups a discussion was started about Another Chance's event supporting MACNA. It was reiterated by the Fort Worth RCM that he did not want MACNA contacting any Fort Worth Area Groups. In this discussion, there was also an accusation that one of the members on the MACNA Board was one of the members who stole from the Regional Service Office and the LSRCNA. Both the Secretary of MACNA and I responded to the first statement and I responded to the second statement. To be clear, neither individual in question is on the Board and no RCM should be telling any Body of NA what they can or cannot do. Our only role is that of a conduit of information. The vote for the formation of a new Convention passed (even though the Fort Worth RCM states that they changed their vote which would cause it to fail). The Convention Workgroup has been reinstated, nevertheless. No consensus was reached on the structure of the Convention Committee or Board. The Work Group will meet on the fourth Sunday of every month at 6pm via Zoom. The 501 (c)(3) idea failed.

The next RSC will be January 16 and 17, 2027.

WEB SERVANT REPORT

Not much new to report. I worked on getting the policy on to the website and I have it working on the desktop version but need to get with Zach about making it available in the mobile version. Meeting schedule and calendar are up to date.

- Removed from the agenda until further notice.

VI. Old Business –

Service Slam/Service Speaker Jam for Trinity Area

- No objections.
- Gerald's original idea was to create a subcommittee, but if the Area is wanting an AdHoc, we can move forward with that.
- Gerald is proposing an AdHoc on Sunday, Nov 22nd at 6pm. Gerald will lead the AdHoc.
    - The AdHoc will be held via the TASC Zoom number

Trinity Area donating $1,500 to Multi-Area Convention

- No objections but Emily K had some questions regarding the donation.
- $1,500 from the Area is going directly towards the hotel for food and beverage
- The food and beverage have a minimum when you sign a contract with the hotel.
    - That contract is a total of $8,000
- Sadie, Deborah, and Inger are all involved in the money handling.

VII. New Business

VIII. Open Forum

- Reminder that TASC elections will be held on December 26th and we encourage any members that are willing to serve to attend TASC in November to gain a better understanding of how the TASC functions.

- Deborah would like to know why members are being removed from the LS Google Groups and what are the criteria is for members to remain in the Google Groups.

Announcements - Next TASC is November 28th @ 10am (TASC meetings will be held virtually the last Saturday of the month @ 10:00 am - except the month's Lone Star Regional Service Conference is held which are January, May, September)
